

# Army Public School, Pune

# SUMMER

## Activity Schedule

### 2023-24

### Class XII

## **ARMY PUBLIC SCHOOL , PUNE.**

Education is the passport to the future, for tomorrow belongs to those who prepare for it today.

Dear Children,

It is easy to get into a relaxed mode, during holidays. We've compiled a handy list of helpful suggestion of things you could do and would want to do over your holiday break.

**Make the most of every moment – you will be happy you did once you are back into the swing after the holidays!**

1. Stay healthy and combat the holiday bulge by keeping up with a regular exercise regimen. You'll look – and, more importantly, *feel* – better.
2. What we're suggesting here is the kind of reading you *actually* enjoy – not your required reading for school. Seriously - when was the last time you read a book that you didn't *have* to? Pick up a book because it looks interesting, cozy up and get lost in it. Enjoy – you'll be happy you did!
3. You love your family and they love you. No matter how much you hate to admit it, you miss them terribly. Why wait until the holidays to catch up with family?
4. Some of the best films of the year are released during the holiday season and, since you have a lot of free time on your hands, it's a great opportunity to take advantage of!
5. Have family meals together and talk about your day with them.
6. Help your parents with small chores around the house.
7. Visit your Grandparents and spend time with them.

## HOLIDAY HOMEWORK STD. XII

### PHYSICS

1. Select a topic suitable for either preparing a working model OR performing investigatory experiments in the laboratory and prepare a file printed on unruled A4 sheets, including the following
  - a) Main page with school logo, Subject, Student's name, class, section and Aim of the project.
